ABOUT US

Steelworkers Dental's mission is to provide professional dental care in a warm and friendly environment.

Our clinics are located in four convenient locations.

We take pride in providing oral health care to union members and to the general public.

As a non-profit, Steelworkers Dental bills its services below the current ODA (Ontario Dental Association) Fee Guide®. Our below ODA service fees are available to union members and to the public.

We offer flexible appointment times.

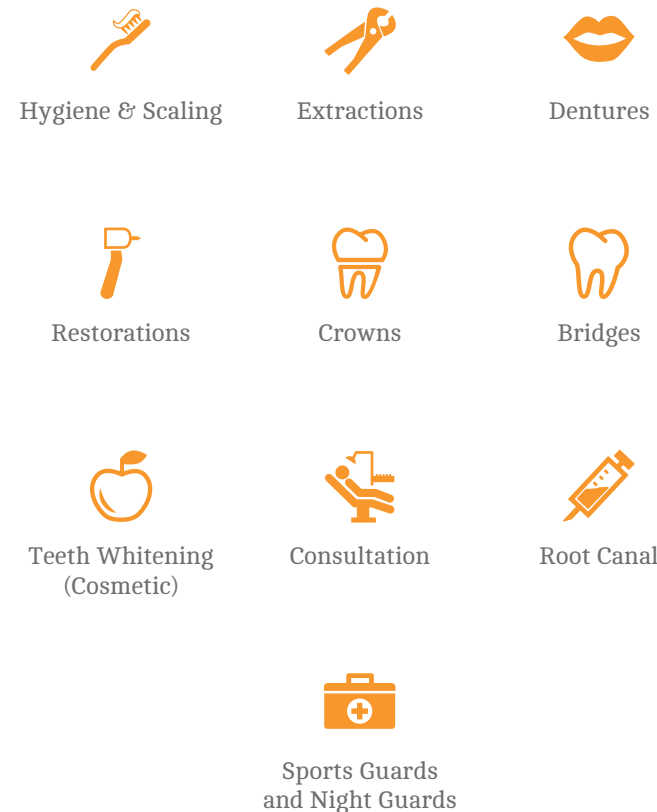

Call or go online to book an appointment today.
