United Steelworkers
300 – 3920 Norland Avenue
Burnaby, BC V5G 4K7

Dear Mr. Hunt:

Letter of Support – Westray Act

On behalf of the Council for the District of Stewart, I am pleased to extend our support for your campaign to “Stop the Killing and Enforce the Law” and your proactive action to protect workers.

As you stated in your letter this is not an area of municipal responsibility and as such council felt a letter of support was adequate.

Sincerely,

Mayor Galina Durant
